

MIAMI, FLORIDA – (BUSINESS WIRE).- August 17, 2007. Air Temp North America, Inc. (“Air Temp” or the “Company”), (Stock Symbol: “ATPN.PK”), today announced that it has named Manuel Garcia as its new Chief Financial Officer.

"We are confident that Mr. Garcia has the knowledge and experience to help guide Air Temp to a bright future as the Company continues to grow and implement new initiatives to improve its business performance," said Mr. Jorge Habib, Chief Executive Officer of the Company and its operating subsidiary Air Temp de Mexico.

Prior to joining Air Temp, Mr. Garcia accrued international experience with financial reengineering for Yum Restaurants International based in Dallas, Texas. There, he helped lead the company through a significant restructuring of its international operations and MIS structure involving 8 countries, 3 continents and almost 1,100 restaurants. Before working on the restructuring, Mr. Garcia was the assistant controller for various financial functions of Yum Restaurants in Mexico.

Mr. Garcia has a Bachelors degree in Business from *Universidad LA SALLE*, a Masters degree in Finance from *Universidad Autónoma de México (UNAM)* and he is currently completing his PhD in Strategic Management at *Universidad del Mayab*.

The Company, through its operating subsidiary, Air Temp de Mexico, designs, produces and markets systems and components of air conditioning, ventilation and heat exchangers for the automotive industry. Its clients include many of the world’s largest automotive companies.
